

Welcome Parents and Guardians,

My name is Jamie Iacovino, and I am the current President of our Charleroi Area Elementary Center P.T.A. I want to take a moment to introduce myself and let you know what the P.T.A. does for our children here at Charleroi. I have been actively involved with your P.T.A. for fourteen years. My oldest daughter will be entering her Junior year in college, my son will be a Senior in High School, and my youngest daughter will be going to the 8th grade.

We the board members believe and follow the State and National P.T.A. motto... "Every Child One Voice". Basically, this means all that we do and fundraise for are for all of the students here at C.A.E.C.

During the school year we fundraise, the two biggest PTA fundraisers are our Fall and Spring. There are other small opportunities to help us create money, through Box Tops, Apples for Students ect. All of the money earned helps pay for field trips (fee for busses included), yearbooks, and various student incentive programs, prizes, and teacher appreciation week. There is also 3 General meetings that takes place in the Elementary cafeteria. We try to coordinate guest speakers for these evenings, and also share our P.T.A. information.

Wanting to help in other ways with our PTA is either becoming a board member, or also volunteering during some of our school time activities. Example of volunteer opportunities; Book Fair, Tinsel Town, and Luau.

Ways to stay connected to your PTA... Paw Prints which is our PTA maintained Elementary school newsletter, find our page on Facebook, and the School Districts website under Elementary school tab.

I am always available for questions, concerns, or general information.
